<sup>\*</sup>Concisely reference all appropriate Q.C. review checklists employed. Reviewer name, initial, and date can only be given when appropriate Q.C. review is complete and all comments are dispositioned.

<sup>\*\*</sup>Project deliverable approval must ensure that all TDD and workplan objectives have been met. Workplan and TDD approval must ensure that all stated work activities and objectives are consistent with the technical directive. Reviewer approval can be given only when respective review comments and concerns have been satisfactorily dispositioned.
